The screenshot shows the skybriefing website interface. At the top, there's a navigation bar with links for Home, Publikationen, Services, Preise, and Support. On the right side of the header, there are language links (EN, FR, DE, IT), a login link ('Login'), and a registration link ('Registrieren'). Below the header, there's a sidebar titled 'Flugplan und Briefing' which includes a 'DABS (CH)' section. This section lists 'Daily Airspace Bulletin Switzerland' and provides links for 'DABS-2019/06/21' and 'DABS-2019/06/22 (Nicht verfügbar)'. The main content area has a heading 'Publikationszeiten' and describes the publication schedule for DABS. It mentions the daily publication at 16:00 local time for the next day, and additional publications at 09:00, 13:00, and 16:00 local time for updates. It also notes that alongside NOTAM publications, flight restrictions, limitations, and changes are shown graphically on the DABS map. A detailed note states that information from NOTAMs should be consulted for more details. At the bottom of the page, there's a footer with copyright information: '© skyguide 2019 - AGB | Datenschutz | Helpdesk | Über skybriefing | Partners | Impressum'.

Landeplätze Flughäfen sind im VFR Manual unter Aerodromes mittels Lesezeichen sichtbar

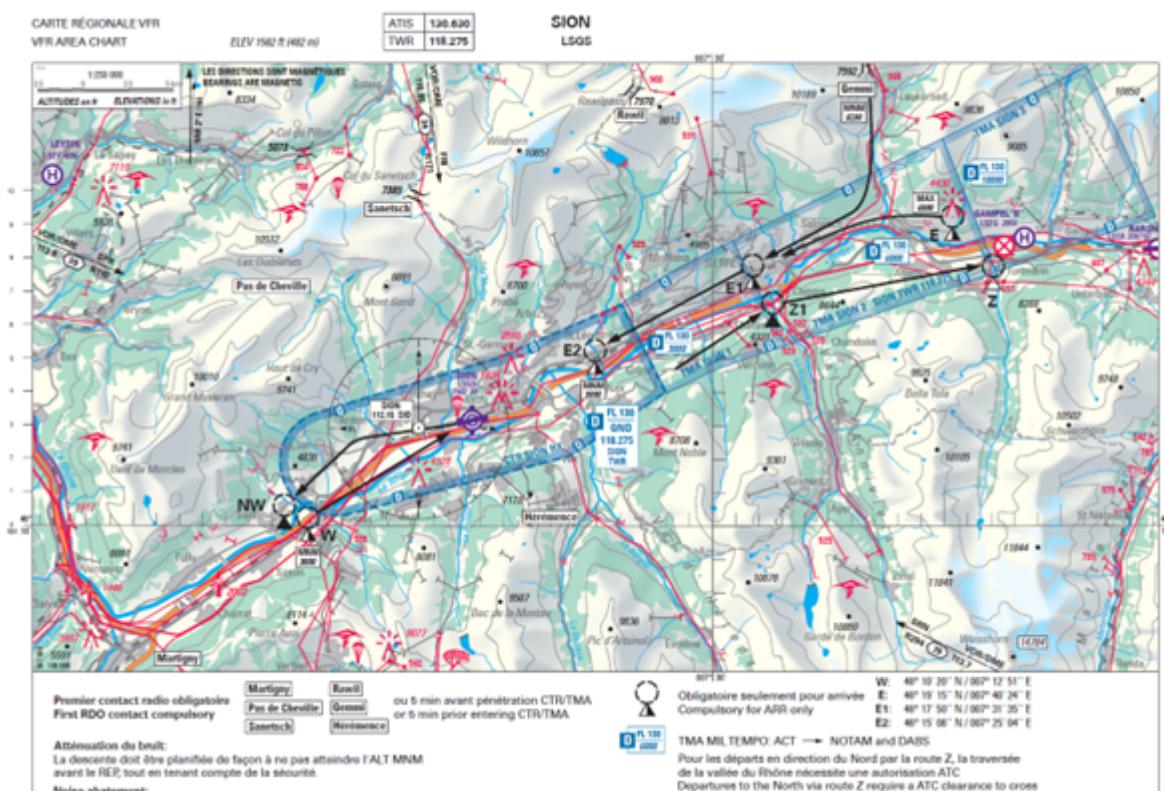

The screenshot shows the eVFRM Switzerland software interface. On the left, there's a sidebar with a tree view of flight planning categories: Lesezeichen (Favorites), eVFRM Switzerland, VFR, GENERAL, AGA, COM, RAC, MAP, AERODROMES, and AERODROMES. Under MAP, 'Bad Ragaz (LSZE)' is selected. The main area is a map with various flight routes and waypoints. On the right, there's a detailed 'AD INFO 1' panel with a map of the area around Bad Ragaz, a table for 'FOR DRAFT FREQ (0000000000)', and a legend.

NR	RONY BIRG TRUE/MAG	m

## Skybriefing für Piloten

<https://www.skybriefing.com/de/web/guest/signinnativ>

PW: FL\*9496Heli

This screenshot shows the guest login page of the skybriefing website. At the top, there are language links for EN, FR, DE, IT, and a 'Login / Registrieren' button. Below the header is a banner featuring four aircraft: a large jet, a small propeller plane, a hot air balloon, and a glider. The main area has a light blue background. On the left, there's a sidebar with sections for 'Information' (Current Cycles: VFR MANUAL, AIP AMOT, AIP AIRAC, AMOT), 'Current Supplements' (VFR SUP 23 MAY 2019: 004/15, 005/16, 003/18, 005/18, 007/18, 002/19, 003/19), and a 'Willkommen bei skybriefing' message. The right side contains a login form with fields for 'E-Mail Adresse' (hr.amrhein@valair.ch), 'Passwort', and 'Anmelden'. Below the password field is a link for 'Passwort vergessen?'. The bottom of the page shows the current date and time: Thu Jun 27 2019, 08:24:12 LT | 08:24:52 UTC.

Neues Areabriefing Switzerland eingeben

This screenshot shows the 'Area Briefing' section of the skybriefing website. At the top, there are language links for EN, FR, DE, IT, and a user status message 'Logout [User - Hanseatic Amrhein]'. The left sidebar includes links for News, AGB, Helpdesk, Datenschutz, Other skybriefing, Partners, Datenquellen, Kontakt, and FAQ. The main content area is titled 'Area Briefing' and contains a 'Schnellzugriff auf Einstellungen:' section with links for Meteo and Briefing. It also includes a 'Über:' section with a link for SmartNOTAM. Below these are dropdown menus for NOTAM Qualität ('OPACIO') and Flugregeln ('VFR'). There are input fields for Flugdatum (DD/MM) set to 2019/09/27, Information Area ('Switzerland'), Flugstrecke (''), Lower FL (''), Upper FL (''), and a 'Briefing abfragen' button.

Briefing anfragen drücken

The screenshot shows the 'Flugplan und Briefing' section of the skybriefing Charter. On the left is a sidebar with links like 'Übersicht', 'Flugplan', 'Briefing', 'Neues Flugplatzbriefing', 'Neues Area Briefing', 'Neues Narrow Route Briefing', 'Neues Standard Route Briefing', and 'DABS (CH)'. The main area is titled 'Briefingdaten' and contains tabs for 'Übersicht' (selected), 'Druckversion anzeigen (PDF)', 'Meteo', 'Aerodrome NOTAM', 'Area NOTAM', and 'Parameter'. Under 'Meteo', there are sections for '1: Airmet' (ISAS no data available), '2: Sigmet' (ISAS no data available), and '3: SigmetChart'. The 'SigmetChart' section includes logos for the Swiss Confederation and the Federal Office of Meteorology and Climatology MeteoSwiss, and displays a weather map with various sigmet and airmet symbols.

Druckversion PDF speichern unter Pfad

A file explorer window showing a list of PDF files in a directory path: 'daten (\dsm01.valair.li) > 33 Flugbetrieb > 9 > cloud > Valair AG (CH-3050) > Valair AG (Staff) > OPS > Wetter'. The list includes four files: '2019-05-29 ibs\_flightplan\_155911018...', '2019-05-31 ibs\_flightplan\_155928267...', '2019-06-04 ibs\_flightplan\_155964875...', and '2019-06-06 ibs\_flightplan\_155980191...'. The last file was modified on 06.06.2019 at 08:29 and is 3'914 KB in size.
